EAT GOOD. EAT HEALTHIER.

Natural is Healthier than Artificial.

At Chicken Out Rotisserie, our food is made from scratch, in small batches throughout the day in each of our restaurant's own kitchens. So, there is never any need to add artificial additives or preservatives. Our fresh food tastes great naturally.

DO GOOD NOTES...

June was AUTISM SPEAKS month.

With 1 in 150 children affected, autism is a national crisis.
This Saturday July 4th is the 9th Annual Potomac 5K Run/1 mile walk.

Join us this month as we collect money for the
Children's National Medical Center, Care for Kids Program.

We love doing "FUN-RAISERS" in our stores. To help your non-for-profit raise dollars, See the store's General Manger or go on line (www.chickenout.com) for more details.
